"Donate To Your Favorite Charity Every Time You Travel!"

We Are Partnering With Your Favorite Charity!

We are pleased to announce that UMDonations.com is dedicated to helping you help your favorite charity without costing you a dime! How? It's EASY!

Any time you need to check out travel of any sort – airfares, hotels, auto rentals, cruises, tickets, etc.....

- Go to www.UMDonations.com
- Click on the "Donations" tab.
- Scroll through the list of charities and click on the name of your favorite charity!

That's all there is to it! This link will send you to one of the best travel sites in the world, operated by Ultimate Choice Travel. Once there, you'll experience some of the best prices in travel!

Best of all, the site you arrive at will generate a donation to the charity you selected with every travel purchase made on that site!

Two special considerations:

1. If you make a purchase between now and May 4, 2007, please MAKE SURE you send an email to iplacedanorder@umdonations.com and tell us of your purchase. Significant software changes are being made so that this will no longer be necessary after May 4, but until that time, your email will allow us to be sure your donation will go to the correct charity.
2. If you're planning international travel or "packaged" travel (vacations to resort destinations, cruises, etc.) check out the link in the upper right hand corner of our travel site, that says, "Let Us Beat Your Best Offer". Then click "Get Quote" from the following page and you can email your request for special pricing to agents in the Austin, TX headquarters of Ultimate Choice Travel. They will send you a quote within twenty-four hours (usually within 3 hours) with even better pricing!

Thanks for considering traveling through Ultimate Choice Travel! And thanks for enabling us to continue to contribute to your favorite charity with every purchase you make!
