

Please help Red walk again - Donations DESPERATELY NEEDED for surgery as well as an adopter to offer him a loving home!

This Red "Bull" is looking for a pick-me-up!

Red is a beautiful 1 year old red nose American Pit Bull Terrier who was abused by his previous owners, then dumped at a rural

shelter in West Virginia. Homeward Trails stepped in and brought him to a caring foster home in Northern Virginia.

Red is very sweet and affectionate. He was very tentative when he first arrived at his new home. Red bonded with his foster mom right away, and even though the men in Red's previous life were less than kind to him, he is now equally affectionate with his foster

dad. Red still needs some help overcoming his fears of new men, but possesses all of the noble personality traits that make the American Pit Bull one of the best family dogs around. He is extremely sweet,

cuddly, loyal and SOOO eager to please.

Red will do anything for a pat on the head or word of praise from his person. Red is not fearful at all once he feels secure in his surroundings. The 10 month old toddler in Red's life can bang her toys in his ear and grab Red's paws and nose without eliciting the slightest response from Red (except maybe a lick on the face!).

Despite his great personality, Red has increasing discomfort due to a badly luxating patella. This means that every time Red flexes his left knee, the knee cap slides out of place causing irritation and inflammation in the joint and pain for Red.

Homeward Trails rescued Red from being put to sleep. However, we need serious help to be able to help Red get back on his paws. WE DESPERATELY NEED FINANCIAL SPONSORS FOR RED TO GET HIM THE MEDICAL CARE NECESSARY FOR HIM TO WALK AGAIN.

PLEASE consider donating ANY AMOUNT to Red so that he may walk and play again like every other dog. Please make any donations out to Homeward Trails and mail them to P.O. Box 100968, Arlington, VA 22210. Please be sure to place his name on the donation in the memo box. You can also donate directly through the Homeward Trails website. However, if donating online, please also send an email to me at brian@pawboysandgirls.com so that we know the donation is for Red. ANY DONATIONS are a HUGE help.

Thanks for helping Homeward Trails save a deserving life! Homeward Trails is a 501c non-profit. More information on Homeward Trails can be found on their website at www.homewardtrails.org.
